

SAINT ANN'S SCHOOL

Assistant Costume Designer

Saint Ann's School costume designers and assistant costume designers work collaboratively with the theater department faculty to support our students in developing their creative voices through theater and dance performances in grades 4-12. These performances are developed during after school and weekend rehearsals as well as classroom time throughout the week. This position will include designing and assisting several of these performance projects as well as helping to maintain the costume shop for the 2021-2022 school year. A collaborative, creative and flexible approach is vital as the designer and/or design assistant balances the need to stay organized in the midst of the energy and excitement of production work. Additionally, applicants must bring an equity lens to their interactions with colleagues and students.
