

Information about Saint Ann's School Event Spaces

[Campus Map](#)

Preschool, 26 Willow Place

There are steps leading up to the main preschool entrance where the performance space, two classrooms and the preschool office are located. There is a ramp through the yard to the side door which provides access to the lower (first) floor. Adult restrooms are on the first floor where there is one accessible restroom (labeled women). This floor is shared with The Heights Players. Please use the restroom that best fits your gender identity or expression.

Kindergarten, 124 Henry Street

While there is a ramp from the courtyard to the main door of the Kindergarten, there isn't one from the sidewalk to the courtyard leading up to the entrance. There are stairs to the second floor of the Kindergarten and there is no elevator. An accessible restroom is located on the first floor at the end of the hall beyond the north room. Please use the restroom that best fits your gender identity or expression.

Farber Building, 153 Pierrepoint Street

The Farber Building entrance is accessible and an elevator goes to all floors. Single occupancy, all-gender accessible restrooms are located in the library on the first floor and in the gym on the sixth floor. The Farber Building houses the Lower School.

Bosworth Building, 129 Pierrepoint Street

The Bosworth Building entrance is accessible with an activation switch outside to open the door without assistance and an elevator goes to all floors except the 13th floor dance studio. All-gender restrooms are located on the third, seventh and ninth floors. Single occupancy restrooms are located in the undercroft (not during the school day) and on the eleventh floor in the Faculty Resource Center. Accessible restrooms are located in the undercroft and on the first, third, seventh, ninth, tenth and eleventh floors.

124 Pierrepoint/The Rubin Building/the "Townhouses"

The Rubin Building entrance is accessible either by stairs or via a lift to the garden level and an elevator goes to all floors (note: elevator temporarily out of service, spring 2022). Single occupancy restrooms are located on the garden level and the fourth floor. All-gender restrooms are located on the second and third floors.

If the backyard/garden of 124 Pierrepoint is being used, a ground floor accessible entrance is available through the Parish Hall of St. Ann's Church (157 Montague St.)

Plaza and Rotunda

The plaza and rotunda entrance at 33 Clinton Street has a ramp. There is a single occupancy, all-gender restroom located just outside the entrance to the rotunda space.

St. Ann's Church, corner of Clinton and Montague Streets

The St. Ann's Church entrance is accessible via a ramp. Men's and women's accessible restrooms are located in the Parish Hall space behind the church. Please use the restroom that best fits your gender identity or expression.

Parish Hall and Parish House Administrative Offices

The Parish Hall entrance is at ground level and accessible. Men's and women's accessible restrooms are located in the Parish Hall itself. Please use the restroom that best fits your gender identity or expression.

From the entrance at 157 Montague there are stairs leading up to all Parish House administrative offices and there is no elevator. Single-occupancy restrooms are located on the third and fourth floors of the Parish House.

229 Baltic Street

There are stairs leading up to the entrance to 229 Baltic Street, which is a brownstone residential building.
