

SAINT ANN'S SCHOOL

POSITION ANNOUNCEMENT: PART-TIME COSTUME DESIGNER AND ASSOCIATE COSTUME DESIGNER

What if the Beast were an arrogant prince from the downtown 1980s art scene? What does the clothing in the forest of Arden look like circa 1966? How do you make sure every student feels comfortable and supported in their costume? These are just some of the questions the Saint Ann's costume designers and associate designers ask ourselves as we collaborate, design, and construct the many costumes for our productions.

Welcome to the world of costume at Saint Ann's, where costume designers not only dress the students in our casts and collaborate with the production team, but work with student performers and student costume makers in rehearsals, fittings, and classes to support and enliven the stories told on our stage. Saint Ann's School costume designers and associate costume designers work collaboratively with the theater department faculty to support our students in developing their creative voices through theater and dance performances in grades 4-12. These performances and their design components are developed during after school and weekend rehearsals as well as classroom time throughout the week. Each position will include designing and assisting several of these performance projects as well as helping to maintain the costume shop for the 2023-24 school year. A collaborative, creative, and flexible approach is vital as the designer and design associate balances the need to stay organized in the midst of the energy and excitement of production work. Additionally, strong candidates will have a demonstrated commitment to equity and inclusion and to working with students and colleagues across different identities.
